

Delete Existing Page

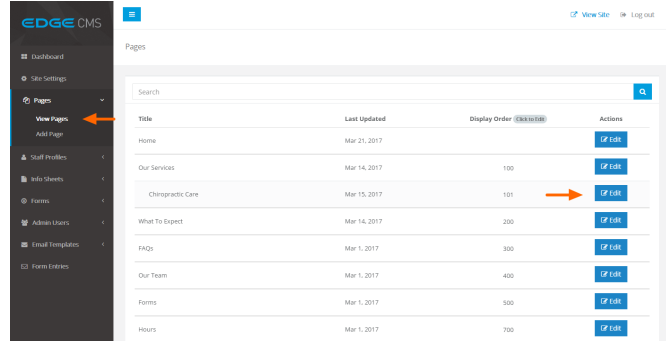

Video Overview

To delete a page from your content management system follow the steps below.

STEP 1 - Access

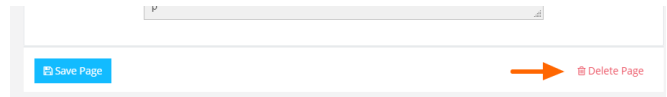

Select and expand the **Pages** menu item and select the **View Pages** option.

Edit the page you wish to delete.

STEP 2 - Delete

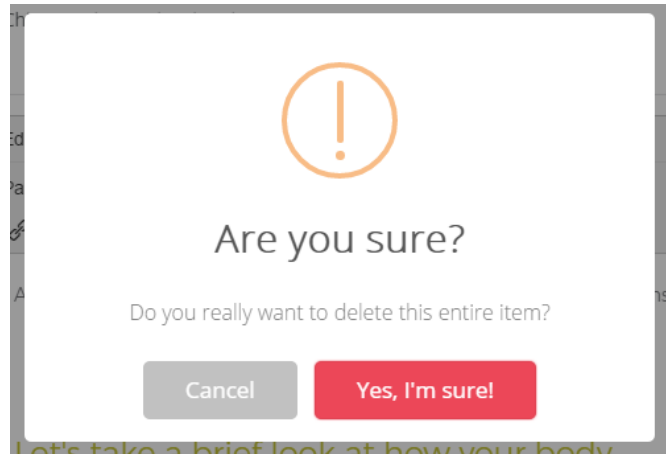

Click the **Delete Page** button below the content area, opposite the Save button.

STEP 3 - Confirm Delete

To complete the deletion of the page, Click the **"Yes, I'm Sure"** button.

Press **Esc** or click **Cancel** to return to the page edit screen.

Success

The item was deleted successfully
