# Delete Existing Staff Profile

To delete a staff profile from your content management system follow the steps below.

STEP 1 - Access
Select and expand the **Staff Profiles** menu item and select the **View Staff Profiles** option.

Edit the profile you wish to delete.
STEP 2 - Delete

Click the **Delete Staff Profile** button below the content area, opposite the Save button.

STEP 3 - Confirm Delete

To complete the deletion of the profile, Click the **"Yes, I'm Sure"** button.

Press **Esc** or click **Cancel** to return to the profile edit screen.

Success

The item was deleted successfully
